Together. For the 2023 year, 84 cents of every dollar spent went to our charitable programs.

What We Are Doing:**Bridges Front-and-Center**

Bridges should serve as connectors instead of barriers. We have continued to coordinate with the City of Charleston on an ad hoc basis as they finalized permitting for the new Ashley River Bicycle & Pedes-trian Bridge, including regular check-ins to develop improvements to the West Ashley Greenway, which will feed into the new bridge, encouraging supportive comments from the community, and participating in the ceremonial groundbreaking for the project. We are working with a group on wayfinding signage along the West Ashley Greenway and Bikeway, and connecting it to the Ashley River Bike/Ped Bridge and Highway 61 bike lanes.

Collaborating with our coalition and Charleston County, we assisted with the County's second federal grant application to USDOT for a Better North Bridge. Our work included many hours of community outreach and engagement, meeting with state legislators, compiling letters of support, and encouraging stakeholders to reach out to their Congressional offices. We also conducted research for the grant application, encouraged the County to vote in favor of applying, helped with the merit criteria narrative review, worked with NCPD on a video for the bridge, researched other funding opportunities, and participated in the grant debriefing with federal staff. We have also continued advocating for projects that will ultimately connect to the Better North Bridge.

We have been advocating to protect SCDOT's bike/ped improvements to the Isle of Palms Connector, which are the first buffered bike lanes in the Charleston region, and the second time green paint has been incorporated in a bike lane project in our region. We made sure to share SCDOT's survey on the project, worked with national partners on outreach, worked with local partners to assist with their outreach, as well as attend the presentation results provided to both Isle of Palms City Council and Mount Pleasant Town Council, and reasserted our agreement with Mount Pleasant that the improvements to the Connector should stay.

We have continued coordinating with the City of Charleston to improve their design proposals and garner supportive public comments for both the Nowell Creek bike/ped bridge and a multi-use path on the Beresford Creek bridge.

Complete Streets

We mobilized and advocated for robust multi-modal space and design in key projects, and our engagement led to improved designs, additional funding and/or leveraged opportunities. We have continued coordinating with the City of Charleston to improve their design proposals for Market Street, East Bay/South/Reid Streets, key intersections in the upper peninsula area, Bee Street, Rutledge Avenue, and Hagood Avenue. We encouraged the City to consider a reconfiguration of Meeting Street Road after learning the street might be up for a state-level resurfacing. We suggested several bike/ped improvements in the Upper Peninsula area. We worked with coalition partners to coordinate suggestions for the redeveloped streetscapes for Union Pier, and also submitted formal comments to the City's Technical Review Committee, Planning Commission, and Community Development Committee. We met directly with the port and their consultants, as well as city staff. We conducted counts at the intersection of King and Carolina Streets to help move forward the recommendations from the upper King Street road safety review from several years ago, and shared suggestions to the City for the County's Savannah Highway Intersection Improvements project, as they developed an intergovernmental agreement for the project.

We worked to protect the state's proposal for a reconfiguration of King Street below Calhoun Street, getting the word out for stakeholders to take the City's survey and to sign our petition. We attended multiple council meetings, speaking during public comment and encouraging others to do so. We worked very hard with our partners to keep the decision-making process public, and also coordinated a support letter signed by multiple King Street business and property owners. We met with multiple stakeholders and

elected officials to learn about their concerns and to try to find common ground.

Charleston Moves has formally supported Mount Pleasant Way, a planned town-wide bicycle and pe-destrian system. We have submitted support letters for greenbelt funding for specific segments, and coordinated public input during comment sessions for areas including: Kenny Mile Trail, Mathis Ferry Trail, Ben Sawyer Trail, Scanlonville Praise House Trail, National Drive Trail, Park Ave Boulevard and Carolina Park Boulevard Trail, Rifle Range Trail and Long Point Trail.

We continued to meet with County staff and other stakeholders regarding a potential multi-use path for Betsy Kerrison Parkway, leading onto Kiawah and Seabrook Islands, as well as various Johns Island improvements. We spoke in favor of continuing to require property owners to include pedestrian infra-structure in zoning overlays as various applicants attempted to remove the requirement via the Coun-ty's Board of Zoning Appeals.

We have a robust campaign of petition signatures, survey responses, interviews and counts (this year, at the intersections of Durant and Rivers and Durant and Mixson) in support of our request for the City of North Charleston to develop a master bicycle and pedestrian plan, and we have continued our ne-gotiations with SCDOT to incorporate better bike/ped/transit mitigation in their plan for the Lowcoun-try Corridor. We also partnered with stakeholders to advocate for a road diet plan and better bike/ped improvements for Rivers Avenue, along the Lowcountry Rapid

Transit corridor.

We participated in SCDOT-led Road Safety Audits for Savannah Highway, Septima P. Clark Parkway, Ashley River Road, Dorchester Road, and Folly Road. We also joined the City of Folly Beach for their audits of Arctic Avenue, and the City of North Charleston for their audit of Centre Pointe Drive.

Policy Updates

We participated in the development of the Town of Mount Pleasant's Safety Action Plan, and encouraged the public to attend meetings and take the Town's survey. We also spoke in support of the associated Vision Zero resolution. The development of this plan and policy allows the Town to qualify to apply for federal infrastructure dollars for project implementation. Additionally, our suggestions to improve the Town's proposed bicycle ordinance were included in the final approved ordinance.

We encouraged the City of Folly Beach to consider developing their own Safety Action Plan, and also coordinated with the City of Charleston on a Bloomberg Initiative for Cycling Infrastructure grant application. We worked with the City of Charleston, the National Safety Council, and the family members of victims to have a City proclamation for World Day of Remembrance for Road Traffic Victims.

Many of these committees address portions of our signature 32-mile Battery2Beach (B2B) route. We convene our B2B Working Group regularly, which is comprised of representatives from the City of Folly Beach, the Town of James Island, the City of Charleston, Charleston County, the Town of Mount Pleasant, the Town of Sullivan's Island, the City of Isle of Palms, SCDOT, citizens and Charleston Moves.

In 2023, with several key local elections, we partnered with other nonprofits to host mayoral candidate forums. With Lowcountry Local First and the Charleston Area Justice Ministry, we helped coordinate two North Charleston forums. With Pay It Forward Charleston and the Charleston Climate Coalition, we helped coordinate two Charleston forums.

Critical Mass

We rallied public participation in a broad array of project proposals, including but not limited to:

- > Mount Pleasant: Comprehensive Plan deep-dives; the I-526/Long Point intersection project; Highway 41 permitting
- > North Charleston: Meeting Street Extension
- > West Ashley: Sumar Street; Savannah Highway

community workshops; Charleston County Climate Action Plan questionnaire; Dorchester County Complete Streets workshops; state pavement improvement program

> Rural Areas: Awendaw Comprehensive Plan; Von Ohsen Rd/Lincolnvillle Rd intersection

We hosted our annual Mobility Month program, with an impressive number of participants. May's Mo-bility Month events are aimed at bringing the community together to elevate multi-modal accomplish-ments, provide updates on our priority projects, and offer calls to action, as well as volunteer opportu-nities, to advance our people-powered movement. Critical mass is of critical importance as we work to build widespread, diverse community support and demonstrate how safe, equitable infrastructure that works for all, benefits all. We tied our events to advocacy around a bike/ped plan for North Charles-ton, Better North Bridge, the King Street bike lane, and Rethink Folly Road. We also hosted our annual gala, Pedal & Panache, elevating our movement through action and a celebration of progress.

Our organizing and data collection work this year resulted in:

- the distribution of more than 100 free bike light sets and 96 educational bi-folds to community mem-bers to ensure economic access to safety is not a barrier to survival;
- the completion of 14 hours of bike/ped counts with our volunteers in locations where our community is particularly vulnerable, generating extremely valuable data to back up our requests for more and better people-oriented designs in transportation projects;

- the participation in at least 52 hours of road safety audits and reviews for corridors deemed unsafe by SCDOT or municipal partners;
- the support of our neighbors in environmental justice and lower-income communities that lack reliable internet access, by attending community-led events and gatherings, to help ensure all voices are represented and that everyone has a seat at the table.

Our History

In 1993, the Charleston Bicycle Advocacy Group (CBAG) was founded to elevate support for bicyclists in and around Charleston. The group campaigned for and successfully achieved bicycle lanes on Coleman Boulevard in Mount Pleasant, despite opposition from the Department of Transportation. CBAG lobbied successfully for bicycle racks on buses, for improved cycling access to the Isle of Palms and served on the regional transportation board, voting for sidewalk improvements (especially near schools) and miles of bike paths near county parks.

In the early 2000s, CBAG's lobbying efforts for bike and pedestrian access on the newly-proposed Ravenel Bridge met fierce opposition from the South Carolina Department of Transportation, but it also attracted wide support from high-profile individuals and institutions. Building a groundswell of support for the additional lane, the final bridge plan included a 12-foot wide bicycle and pedestrian path. It also helped shift the focus for CBAG, which changed its name to Charleston Moves in 2005, in recognition of a broader mission: to promote active modes of transportation such as biking and walking, and taking the bus.

In 2009, Charleston Moves launched the Battery2Beach Route initiative, working with multiple government agencies on a vision of 32 miles of continuous bike and pedestrian lanes connecting major beaches in the Charleston area with the iconic Battery at the foot of the Charleston peninsula. At least 40% of the route is complete, with more segments in the works.

Charleston Moves continues to expand the notion of what transportation is, what it should be and what it can be by working with local municipalities, agencies and other organizations that share its vision of a community connected by mobility options. With a staff of two, Charleston Moves fights for the public's right to safe streets, paths and bridges.
